

Rusty Pilots Seminar

Rusty Pilots is designed to re-introduce pilots to the changing flight environment. Discussion includes use of newer technology, changes in the airspace system, new resources available to pilots, and much more. Most importantly, the Rusty Pilots program fulfills the ground instruction requirement of your Flight Review.

Directions: Please meet us on the second floor of the FBO building at Pearson Field. There is plenty of transient parking for anyone who wants to fly in.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
